CAHN LEADERSHIP LAB

Seeking presenters for the 2024 Cohort Year.

We are seeking to add two Distinguished Program Alumni who have expertise/specialty in

1. **Principal Wellbeing/Wellness**
2. **Positive School Culture & Climate**

These presentations are not school visits and should not be isolated examples of what happens at your school but include global best practices, definitions, and opportunities for engagement and reflection around the content and their practices. Alumni do not have to be sitting principals to present. **This is a paid opportunity.**

If you think you have a specialty in these areas and would be an engaging presenter please email **Program Director Crystal Jones** at cjones@cahnfellowship.org to schedule a time to review your content no later than **Friday, August 4th.**

Nominations for the Cahn Leadership Lab 2024 cohort will open on August 7, 2023

Who can nominate? Supervisory administrators or Cahn Fellow Alumni with knowledge of the applicant's leadership ability and student impact.

May I nominate more than one principal? You are welcome to nominate as many eligible principals as you wish.

Who is eligible to be nominated? Principals **in their 3rd or 4th year as principal** at the time of application, with documented success as a school leader in multiple areas.
